

Emily's School Journey

I joined Farringtons in 2010 in Reception, my first teacher was Miss Tetley and I have lovely memories of playing in the orchards surrounded by apple trees.

I started playing in the Football Team in Year 4 as well as taking singing lessons and participating in Drama Club. Learning these skills in the Junior School really built on my confidence going into the Senior School.

My favourite subject is English as I quite like writing and pulling things apart, figuring out what the hidden meaning of things is.

I moved to the Senior School in 2017 with lots of my friends. Since joining the Senior School I have taken part in the School Choir, the Football Team, Feminist Club and taken part in two school productions.

I hope to become a lawyer one day.

I am now in the Sixth Form. I love the Common Room for meeting friends. I also enjoy using the Chapel as it is a really calm space and a nice place to reflect. Most of my friends in Sixth Form I have known since Junior School.
