

FARRINGTONS SCHOOL

Polina's School Journey

I joined Farringtons in Pre-Reception. My first memory is of me not understanding the language, as when I joined I didn't know any English. Overtime it got easier as I made friends and my teachers helped with my English.

My favourite lesson in the Prep School was Maths and English. I was really pleased in Year 5 when I got moved to the top set in Maths.

When I am older. I would

like to work in Creative

Arts.

I started learning piano and enjoyed playing Netball and Football after school. I made great progress from when I first joined. At first, I did not know any English and by the end of Prep School I was the Head Girl, which I was really proud of. It was exciting being selected as Head Girl as I like giving speeches.

Since joining the Senior School I have particularly enjoyed my English lessons and rehearsing for the Beauty & the Beast production.

I moved to the Senior School in 2023 with lots of my friends. I found it straightforward navigating my way as I already knew the Senior School. I have also helped my new friends by showing them around.
