Farringtons School Uniform Policy

1. Introduction

1.1.1 Farringtons School Uniform Policy is based on the notion that a school uniform promotes a sense of pride in the school, looks smart and is practical and makes pupils feel equal to their peers in terms of appearance.

2. Uniform Supplier

2.1.1 Our uniform is supplied by School Blazer (www.schoolblazer.com). As a web-based supplier, School Blazer offers parents the convenience of shopping when they choose and from wherever they are.

2.1.2 School Blazer offer a name taping service to parents, and it is highly recommended by the school that parents take up this offer. It is vital that all uniform is labelled, as pupils often struggle to recognise their own articles of uniform. This includes all shoes, socks, outerwear and accessories. If an article of uniform is mislaid, it may well have gone home in another pupil's bag or placed in our lost property box, located in the school office. Woven sew on name tapes and adhesive shoe labels can also be obtained directly from the School Blazer website.

2.1.3 Whilst staff take every opportunity to ensure that pupils are dressed in their own school uniform, it is ultimately the parent's responsibility to check their uniform at the end of the school day. From time to time mistakes do happen and pupils will leave uniform behind at school or take uniform belonging to another child. Should this happen, please report this to the School Office and return any garments to the pupil or to the front office and staff will ensure it makes its way back to the rightful owner.

3. Role of Teachers and Support Staff

3.1.1 Set a good example in terms of dress.

3.1.2 Remember that in our respective roles we serve the local community as a set of professionals.

3.1.3 To remind children to wear school uniform. Teachers will speak to pupils who do not wear the correct uniform and the uniform correctly. If pupils continually attend school wearing clothing which is deemed not to be uniform they are to be referred to their Head of Key Stage.

4. Role of the Head and SMT

4.1.1 The Head and SMT are to ensure that pupils comply with the uniform policy agreed by the governing body.

4.1.2 The Head and SMT have a duty to enforce the school uniform throughout the school community, as part of the duty within maintenance of day to day discipline in the school.

4.1.3 The Head and SMT will speak to the parents of children who persistently do not wear the correct uniform or they wear their uniform incorrectly.

4.1.4 The Head and SMT will offer guidance if a parent or guardian reports that their child is struggling with any aspect of the school uniform.

4.1.5 The school will follow the DfE guidelines and not consider exclusion from the school where a pupil fails to comply with the school's rules on uniform.

5. Role of the Parents / Guardians

5.1.1 To ensure that their child / children adhere to the school's uniform policy.

5.1.2 Ensure that they come to school in uniform everyday unless there are special circumstances such as non-uniform days.

5.1.3 To ensure that all uniform is labelled correctly and clearly.

5.1.4 To communicate with the School if their child is struggling with any aspect of school uniform.

6. Equalities

6.1.1 All children have equal access to wearing school uniform regardless of their culture, race, religion, gender, disability or ability. We ensure that the set uniform respects other policies such as our Equal Opportunities Policy and Equality, Diversity and Inclusion Policy, allowing for individual sets of circumstances of all groups and individuals. Farringtons School is committed to creating a positive climate that will enable everyone to work free from racial intimidation and harassment and to achieve their full potential.

List of Uniform for Pre- Reception

School Uniform

Children joining Pre-Reception have the option of wearing full school uniform or PE kit and school shoes to school each day.

Items of clothing printed with * in the list must be in regulation style only obtainable from the official suppliers:
www.schoolblazer.com

	Girls	Boys
Jumper/cardigan*	Plain green V-neck crested jumper in the winter Plain green crested cardigan in the summer	Plain green V-neck crested jumper
Shirt*	White collared shirt with velcro green School tie	
Skirt*/Trousers*	Pinafore tartan dress (Winter/Spring terms) Green striped dress (Summer term)	Charcoal grey shorts or long trousers
Shoes	Flat plain black leather shoes	Plain black leather shoes

- Farringtons School Bag, Year 7 & 8**
- Strong plain black rucksack or holdall (no logos), Years 9 - 11
- Plain green or black scarf (optional)
- Full PE Kit 7 Equipment (please see separate list)

PLEASE NOTE THAT:

- No jewellery is permitted except 1 wrist watch, 1 plain small silver, pearl or gold ear stud in each ear lobe.
- Hairstyles should conform to a reasonable norm as determined by the Head. Unnaturally coloured dyed hair is not allowed. Hair must be tied back in lessons where Health and Safety concerns are paramount.
- False eyelashes and false or glued/ stuck on or painted nails are not permitted.
- All possessions, including non-uniform clothes, must be clearly marked with owner's name. In a school community it is impossible to trace un-named articles.
- Valuable pens, watches and items of jewellery should not be brought into school.
- Any uniform left uncollected in lost property for over one term will be recycled or given to charity.

Additional information on make-up, nails and false eyelashes:

The school has specific rules regarding the wearing of make-up, nail varnish and nail extensions.

We want students to focus on their learning, and to get on well with others in their classes and at social times. We do not want to encourage an environment where students are competing in terms of their appearance or how "fashionable" they look.

Make-Up (Years 7-11)

Make-up is not permitted in Years 7- 11 (without exception). It is not deemed appropriate or necessary for students aged 11-16 to wear make-up in the school work environment for the reasons stated above. We also know that make-up could provide a distraction during lesson time given that younger students may be tempted to remove items from their bags to 'top up' or 'reapply'. This would affect the learning and concentration of others.

As make-up is not permitted, tutors are provided with make-up wipes and will ask students in Years 7-11 to remove make-up during tutor time. Students will be sent to the Year Team or school office at other times of the day if they are found to be wearing make-up. If make-up is applied during the day, other sanctions may apply such as detentions. For repeated offences i.e. being told more than once, this will be treated as defiance and the appropriate disciplinary measures taken.

If students are found to have items of make-up in their bags or on their person, the Year Team will remove these so that students are not tempted to use the items during the school day. These may be kept until the end of the day or until the end of the week (depending on the individual case).

Not Acceptable

Nail Varnish and Nail Extensions

Students will often say that nail varnish is a way to express individuality and/or enhance the attractiveness of their hands. Many would like to wear bright garish colours as fashions change.
This is, like eye-catching make-up, not appropriate for the working environment in school. We do not want to encourage an environment where students are competing in terms of their appearance and aim for all students to feel comfortable in themselves and focus fully on their education and personal development.

In addition, we are aware that nail varnish or extensions can pose risks for students undertaking practical work in certain subjects.

Students wearing nail varnish/extensions involved in food preparation and cooking in technology lessons can (especially when inexperienced and learning "how to"), contaminate food with chippings of nail varnish or parts of nail extensions. Long false nails or extensions can be trapped or ripped moving round the school through doors and corridors, causing considerable pain and upset. They can cause harm to others in, for example, PE games or drama practical work. These are situations which are easily avoided.

If a student comes to school wearing nail varnish, they will be asked by their tutor or their year team to remove it immediately with nail polish remover.

If a student comes to school with nail extensions they will be isolated during break and lunch time to minimize risk until the extensions are removed.

Post 16 students

There are no restrictions on post 16 students wearing make-up or nail varnish reflecting their extra freedom and responsibility as young adults within the school. However, the 6th Form Team may see fit to address particularly issues with individuals, if it is felt that their make-up has become significantly outside the general boundaries of the school community.

Frequently Asked Questions (FAQ)

Why can't my child use make-up to express his/her personality and individuality?
School is a formal setting (just like a place of work or business) where students should be treated equally and have equal access to attention and support from staff. We do not want to encourage an environment where students are competing in terms of their appearance or how "fashionable" they look. We do understand that there are a range of reasons why a young person will feel the need to wear excessive make-up and support will be provided to address any underlying issues as best as possible.

Students very often claim that their make-up sets them apart from others and is an expression of individuality when actually they are simply conforming to the expectations of their peer group. Many teenage boys and girls use make-up as a mask to hide their true features and feelings. This is not something that can be encouraged by the school; we want to build the confidence of young people so that they do not feel the need to 'hide'.

My child has bad spots and wears make-up to hide it. S/he's self-conscious without it. Can exceptions be made in these cases?
Make-up is not accepted within school for Years 7 - 11, and for those with a skin problem, can compound the problem. However, 'cover-up' or other cream that is not readily detectable as make-up but helps the student feel that teenage acne is less obvious may be worn after consultation with the Head of Key Stage. Please note that such concessions will be removed should an individual abuse this.

Why can't my child wear nail extensions/varnish when s/he says everyone else is doing so?
Students often use this as their first defence with parents/carers and members of staff. Invariably, the truth is that everyone else is not being allowed to break the rules that also apply to your child. Where there are students wearing nail varnish/extensions then they will also be dealt with and there may well be situations in hand with school staff which your child is not aware of.

However, the school is not at liberty to discuss the sanctions, personal circumstances or issues regarding another child with you or your child. In the same way, we will not discuss issues to do with your child with others.

Why can't my daughter have clear/polished nail extensions?

As previously stated, long nail extensions pose a risk when a student is engaged in physical activity or taking part in specific subjects within the curriculum. If one is ripped off or brushes another student, this can result in painful cuts and rips to the skin. In addition, the school does not want to encourage an environment where such "additions" to appearances are taken as the norm.

Additional information on the wearing of earrings:

Students are permitted to wear one small, plain gold, silver or pearl stud in each ear lobe. Students are not allowed to wear bracelets or other jewellery in school.

There are a range of reasons for this such as:

- reducing the pressure on young people to look/dress a certain way at school
- the fact that jewellery can be expensive and easily lost in a large, busy school environment; the school *cannot take responsibility* for students' personal property
- the fact that removing jewellery can cost significant learning time in practical subjects; collecting and then returning numerous items of jewellery from 20-30 students is a time-consuming process

Acceptable:

Unacceptable:

Frequently Asked Questions (FAQs)

What are the rules on earrings in PE lessons?

Students must remove their earrings for PE or Dance lessons for health and safety reasons. This also applies to extra-curricular activities, competitive fixtures or other practical activities as directed by the member of staff overseeing the activity.

The British Association of Advisers and Lecturers in Physical Education (BAALPE) and The Association of Physical Education (AfPE) guidance suggest that taping earrings 'creates a perception of safety and is not recommended' and there have been incidents where children's ears have been injured from earrings being pulled out from under tape. The guidelines state: All jewellery should be removed prior to a physical education lesson due to the increased risk of it becoming caught or causing injury to the wearer or fellow learner. The wearing of any jewellery increases the risk of injury significantly. As such, all earrings should be removed when students are changing for PE and placed with their general belongings in the changing room.

If a student is unable to remove a piercing, they must provide their PE teacher and Head of Year with evidence of when the piercing took place and provide an estimate as to when they can remove the piercing and take part fully in PE.

What happens if my child wears jewellery to school?

You child's jewellery may be confiscated by any member of staff. Ordinarily, it will passed to your child's Year Team for collection at the end of the day.

If your child persistently fails to follow the uniform code, they may be sanctioned and/or placed on uniform report. Sanctions will escalate if non-compliance continues. This may also be considered as defiance and sanctioned accordingly.

My child has multiple ear piercings – what should I do?

Clear plastic studs should be worn, if necessary, at school.

My child wants their ears pierced – what should I do?

Please ensure that this takes place at the start of a long school holiday, giving as much time as possible for healing. This will prevent them from not being able to participate in PE / Dance lessons.

Additional Information about hairstyles:

Frequently Asked Questions (FAQs)

Why don't you allow certain hairstyles in school?
We recognise that changing hairstyles are part of everyday society. However, the school is a work environment for a large number of children and young adults who can be at a vulnerable stage of their life. It is our opinion that extreme styles are not appropriate in such an environment and we encourage students to focus on their education and personal development rather than their appearance.

We are also aware that many young people may feel pressured to conform to trends and that many parents do not wish their children to be in an environment where certain extreme trends are permitted and likely to be copied.

What will happen if my child does not conform to school expectations?
We believe that learning how to conform to hair style and colour expectations is important in life – whether it be for a work situation, or in preparation for an important social occasion.

Failure to comply with our simple guidelines regarding hair style or colour will result in the loss of social time for the student. The Year Team will decide what further action is needed if the matter cannot be rectified in the short term. You will be informed of the concern and of the action being taken.

Should there be continued failure to meet our expectations, this will be seen as deliberate and repeated defiance and treated accordingly. This may include more serious sanctions including internal or external exclusion as appropriate.

There are other students in the school with extreme hairstyles, what is happening to them?
At Farringtons School we attempt to be consistent in our approach to all students. We try to make sure that our stance is logical, clearly explained and that we have a consistent rationale that we apply fairly. Policy and procedures are clearly laid out so that all staff are aware of the school's expectations across a range of matters. Students not meeting these expectations are thus dealt with in the same way. We always aim to treat students fairly and consistently.

What about hairstyles and colour for Sixth Form students?
Sixth form students are allowed more latitude as they approach adulthood, though we still have clear expectations with regard to their general appearance. Should a hair style be so extreme that it was felt to be socially isolating or threatening, then this would require intervention and would not be deemed acceptable.

What do I do if I don't agree with your policy on hairstyles?
As always, if you feel an approach is unfair or unreasonable, then you can write to the Headteacher and/or Governing Body asking for a review.

Additional Information about shoes:

All students need formal plain black shoes made of leather or leather look material. We do not accept any kind of sports or leisure shoe, so Leather Vans, Converse or any kind of trainer or boot (asides the Kicker style high top shoe), are not permitted. For further clarification, please see below. We would remind parents that trainers, such as those pictured on the below (right) are not acceptable. Students wearing the wrong footwear will be given a replacement pair of shoes for the day.

Please take care when buying shoes for school as some shops will try to sell trainers, sport shoes etc as school shoes, but they are not acceptable at Farringtons School.

When deciding if a shoe is a formal shoe, the following things are considered:

• Whether the shoe is leather or leather look. Canvas shoes are not acceptable.

• Whether the shoe has a heel. Footwear with a flat sole is more likely to be classed as a trainer. (What is the rule on a heeled shoe? Obviously not a pair of high heels!)

• Whether the footwear would be deemed sportswear or would be seen as reasonable to wear for sport – if it can, then it is not a formal shoe

List of PE uniform required for Year 7 – 11

All sportswear listed in the table to be obtained from our official supplier: **www.schoolblazer.com** or second hand, as supplies allow from the Farringtons Parents' Association Shop.
