CANDIDATE BRIEFING PACK

Welcome from the Head

Farringtons is a truly remarkable school with both a rich history and an excellent grasp on the various demands of modern day teaching. Our dedicated and inspirational teachers are wholly committed to helping every pupil achieve their full academic potential, encouraging them to be independent, curious and creative. The school's enhanced National Curriculum provides a great deal of breadth and it is a fantastic reflection on our pupils that the extra freedom they are given to undertake specialist subjects yields such commendable results year on year.

Equally, however, we believe strongly that learning should not be limited to the classroom nor measured solely by performance in exams. We place great emphasis on providing opportunities for pupils to pursue a wide range of co-curricular interests, on developing the art of leadership, teamwork and those all-important soft skills. This is seen not only in sport but also in Music, Drama and the Arts as well as through our vibrant activities programme.

Underpinned by the school's strong Christian ethos, we also take great pride in the quality of our pastoral care and the excellent relationships which exist between staff and pupils. Being a co-educational school, with both day pupils and boarders who choose to come to us from all over the world, we are blessed with a very diverse and cosmopolitan community, something we consider to be a real strength.

Besides the beautiful buildings, outstanding facilities and expansive school grounds, which are an amazing asset given our proximity to central London, what invariably strikes visitors to Farringtons is the friendliness of everyone they meet and the sense of family. I hope that this Briefing Pack, as well as our website, gives you a flavour of what a special place this is and I very much look forward to receiving your application.

EYFS & PRE- PREP SCHOOL

Early Years and the Pre-Prep School

Farringtons prides itself on having an integrated community and maintaining continuity of learning from Early Years through to the Senior School. Children start the School in the Early Years department at 3, where the curriculum is structured around fun, relevant and motivating activities.

The purpose-built Pre-Prep School is light, secure and spacious with an outdoor play area. The transition from Early Years into Reception is seamless, as the classrooms are adjacent to each other and staff and children come together for regular playtime and other activities.

As children progress through the Pre-Prep School they benefit from an increased emphasis on specialist teaching delivered by practitioners who share their enthusiasm and deep knowledge with the pupils. The School encourages all pupils to discuss and discover in order to develop enquiring minds, self-assurance and positive work habits, ready for the next stage of their education.

Early Years Foundation Stage (EYFS)

EYFS is based on the recognition that children learn best through play and active learning. The provision of the curriculum ensures that children experience a full range of learning opportunities including child initiated, teacher directed and group learning.

Reading and writing are taught through guided sessions, alongside daily phonics and are supported by a structured reading scheme (Oxford Reading Tree). Phonics is taught formally using the 'Letters and Sounds' initiative.

Children are assessed through observations, conversations and photographs. Parents, staff and the children themselves all contribute to the assessment process. In the Pre-Reception class, the developmental phases are used for

assessment purposes and the foundation stage profile in Reception.

Pre-Prep School

The children in KS1 follow the National Curriculum subjects as well as personal, social, health education with citizenship. The transition from Reception to Year 1 is dealt with sensitively, especially in the first term where Year 1 children learn through play, which continues to use the principles of EYFS to develop the child's learning and social development.

Year 1 teachers use the foundation stage profiles to build an accurate picture of children's learning and progress and then move onto the School's assessment levels. All learning and teaching in KS1 is based on an enhanced Primary Curriculum with children exploring subject knowledge through a linking topic. Mathematics and English are taught daily, there are two hours per week of Science and PE. Children have a weekly guided reading session with their teacher and also receive bi-lingual teaching every week in French.

Reading, writing, speaking and listening continues to be taught through the use of synthetic phonics and are supported by a structured reading scheme (Oxford Reading Tree). We teach structured and creative English lessons supported by the Primary Literacy Framework and all children are taught spelling. Guided writing is a precision intervention tool that is taught as part of an agreed approach through English, in order to target specific learning skills.

Luceat

The Luceat programme aims to develop 5 key cornerstone skills for pupils as they progress through the Prep School.

These are: Intellectual curiosity, independence, creativity, citizenship and communication.

Pupils will be able to participate in activities each academic year, to enhance and improve these skill sets.

PREP SCHOOL

Children who are more able and those with additional educational needs are identified and interventions are put in place to help address their needs. Children needing further encouragement and support may also work in small groups with our team of support staff, including the KS1 learning support teacher and qualified High Level Teaching Assistants (HLTAs).

Key Stage Two (KS2)

In KS2, all children continue to be taught the enhanced National Curriculum subjects as well as personal, social, health education with citizenship. Some lessons in KS2 are taught by specialist teachers from the secondary phase. Mathematics and English are taught daily, there are two hours and forty minutes per week of Science and four hours of PE. In English, key texts or excerpts are taught throughout each year to ensure coverage of the full range of genre and skills. We teach discreet grammar, creative writing and comprehension lessons.

Pastoral Care

Farringtons is renowned for its pastoral care. The School's ethos, size and determination to treat every member of the Farringtons family as an individual and as a member of the community makes for a supportive environment for the pupils to thrive and staff to develop. The School works in partnership with parents to ensure that all of the pupils feel that they are cared for and valued. The SMT, SLT, Chaplain, School Counsellor and Mental Health and Wellbeing Lead are all involved closely in the pastoral life of the School through assemblies, Chapel worship and our Wellbeing Programme. Farringtons also organises regular Year Group meetings so parents are able to discuss their child's progress with staff. The *Flourish* at

Farringtons programme is a dedicated series of evening on-line seminars to help parents better understand important pastoral matters of the day; topics have included: teenage resilience, on-line safety, food & nutrition, on-line gambling and entrepreneurship.

Beyond the Classroom

Farringtons' co-curricular programme and competitive House system gives pupils the opportunity for fun and fellowship whilst developing leadership skills by offering experiences and activities in a safe but challenging environment. As a result, pupils become more adventurous, confident and develop those soft skills which will enable them to flourish in later life. Whenever possible, teachers bring learning to life through a programme of outings, residential trips and workshops led by visiting specialists.

Forest School

Our Forest School encourages and inspires all our pupils to enjoy a positive outdoor experience.

Children have the opportunity to learn about the natural environment and learn how to use their initiative, solve problems, cooperate with others and manage risk.

Getting muddy, building shelters, using tools and toasting marshmallows are just some of the experiences our pupils enjoy at Forest School.

SENIOR SCHOOL

Years 7 - 11

Farringtons has a long commitment to excellence and opportunity in education. The curriculum in the Senior School reflects this, providing a wide range of modern and traditional subjects from which to make final examination choices.

Small class sizes, dedicated staff and supportive teaching ensure that we are able to nurture individual needs. Pupils in the Senior School range in age from 11 – 19 years old. From Year 9, pupils are supported in making their GCSE option choices as part of our careers programme. Careful planning ensures that each pupil follows a balanced timetable of lessons,

giving the right foundation for his or her future A Level, Higher Education or career choices. New subjects are introduced into the curriculum at various stages.

Throughout the School, pupils from overseas receive additional English tuition, leading to internationally recognised qualifications.

Form Tutors and visiting speakers provide a structured Wellbeing course that introduces and discusses key moral, ethical and social issues at appropriate times in the pupils' lives. It aims to foster a greater understanding of today's society and to assist them in taking responsibilities for their own and their fellows' well-being.

Pastoral Care

Farringtons is renowned for its pastoral care. The School's ethos, size and determination to treat each person both as an individual and as a member of the community makes for a supportive environment for the pupils to grow. The School works in partnership with parents to ensure that all of the pupils feel that they are cared for and valued.

The Head and Deputy Head are involved closely in the pastoral life of the School through assemblies, Chapel worship and meeting with pupils on a regular basis.

Farringtons also organises regular Year Group meetings so parents are able to discuss their child's progress with staff and at which individual appointments to see a member of staff or the Head can be readily made.

SENIOR SCHOOL

Years 12 - 13

Our Sixth Form programme ensures that students acquire the academic qualifications and develop the personal qualities they need to meet the challenges of Higher Education and the world of work.

Small class sizes enable our experienced teachers to nurture the talent of every Sixth Form student as an individual. This, in turn, ensures that our students have the best possible guidance during the university application process.

Farringtons offers a wide choice of subjects and EPQ, timetabled so that university or career choices are not restricted to inflexible subject options. Increasingly, universities want to know about students' interests and activities as well as their academic achievements. Outstanding higher education support is given to every student.

We encourage our Sixth Formers to broaden their horizons and develop leadership skills through the Duke of Edinburgh Award Scheme, public speaking, the School House system and many other opportunities. Sixth Formers have their own study areas and common rooms where they can engage in private study, relax, socialise and make drinks and snacks.

Beyond the Classroom

Farringtons' co-curricular programme and competitive House system gives pupils the opportunity for fun and fellowship whilst developing leadership skills by offering experiences and activities in a safe but challenging environment. The co-curricular programme gives pupils the opportunity to experience and explore new interests and activities. As a result, pupils become more adventurous, confident and develop their social skills. Whenever possible, teachers bring learning to life through a programme of outings, residential trips and workshops led by visiting specialists.

Farringtons offers a successful sports programme, particularly in boys and girls football, which comprises both elite competition and joyful participation.

This is all alongside an enviable range of activities via our Floreat programme which currently includes: rock climbing, skiing, scuba diving, podcasting, Japanese and bee keeping!

The School's sector-leading Careers provision – Farringtons Futures – also arranges work experience and internships for Senior School pupils. The School fosters an appreciation of, and an involvement in, the local community and pupils are encouraged to learn about, and take part in, fundraising activities for local, national and international charities.

The wonderful grounds and London location allow pupils to develop a love of the outdoors. We believe class work and relationships are enriched by these experiences and that they provide invaluable opportunities for children, staff and parents to learn together. Pupils enjoy exciting excursions, expeditions and sports fixtures locally, nationally and overseas.

FIZ Club has been designed to help parents and guardians balance work and family commitments, while giving children a broad range of experiences, as well as supporting them with their school work.

Academics

In 2025, at GCSE, all subject areas achieved a series of excellent results, 12 subjects achieved 100% pass rate with 89% of students achieving five good passes including English and Mathematics. Across the board, just shy of 70% of all GCSE grades were awarded at 6-9. In this year group, value-added scores were very impressive, with huge numbers of students going on to achieve marks far higher than predicted when those students joined the school in 2020.

In 2025, at A-Level, the successes of our students were equally well deserved. The school achieved 100% pass rate at A Level. Perhaps more

impressively, the rate of grades awarded at A*/A (or equivalent) was 37%. All Extended Project Qualifications (EPQ) grades were awarded at A*-B, reflecting the independent study commitment demonstrated by our students reaching for the very best university places.

At Farringtons, all pupils are helped to achieve the best academic results they can. This is true across the school. In the Prep School, year on year, our pupils surpass themselves by achieving results significantly higher than the national average. This is accomplished by dedicated teachers with supportive parents encouraging every pupil to be the best they can be.

Boarding

Wyvern House is situated within the main school building and is home to both our girl and boy boarders at Farringtons. We currently offer boarding to all our senior year groups; however, most boarders are from years 10 to 13. The house is led by the houseparent and the boarding staff who are supported by the school healthcare team.

Christian life at Farringtons

All Chapel worship is inclusive and welcoming for those of different faiths, and also none at all. During worship, the School covers a range of topics which ensure that pupils are aware of local, national and worldwide issues. Pupils are encouraged to tolerate, understand and respect each other.

HISTORY OF FARRINGTONS

Methodist Independent Schools Trust (MIST)

Farringtons School is part of the Methodist Independent Schools Trust (MIST). MIST has overarching responsibility for 12 independent schools across England and works closely with other independent schools of Methodist foundation elsewhere in the UK and overseas.

MIST provides opportunities for its member schools to work closely together. What is characteristic of all MIST schools is the shared Christian/Methodist ethos. Methodist Schools are inclusive and welcoming communities where individuals are valued, good order is respected, relationships cherished, and where excellence in its widest sense (academic, co-curricular and lifestyle) is pursued.

Methodist Schools encourage a sense of belonging, seek to improve lives and boldly expect the impossible; in Methodist Schools, educational experiences and activities bring mind and heart, intellect and passion together; and Methodist Schools work in mutually beneficial partnerships with each other and the wider Methodist Church.

History

The story of Farringtons School begins in 1908. At that time, there was already a very successful Methodist boys' school in Cambridge, The Leys School, but no equivalent Methodist school for girls – an earlier establishment having closed some years before. A committee was formed to create a school to educate girls in the Methodist tradition, and Farringtons was born as a 'sister school' of The Leys.

After looking at several sites, they settled on buying the land which the School now occupies in Chislehurst. This land had formerly been the

site of a small mansion dating back to the 17th Century. Before it fell into disrepair, the house had been home to several families, including three generations of the Farrington family who lived there during the late 17th and early 18th centuries, and it is from this connection that the school took its original name – Farringtons.

The first school building, originally known as 'School House' but now called 'East House', was constructed and Miss Alice Hollingdrake Davies was appointed as the first Headmistress. She opened her school on Thursday 21 September 1911 with fourteen pupils. Over the next 90 years the School grew and came through the challenges of the World Wars.

In 1994, Farringtons merged with Stratford House – a local girls' school that had opened in Bickley in 1912. Stratford House had a similar ethos to Farringtons and similar traditions, and so the name 'Farringtons and Stratford House' was born. The merged School was soon operating happily as a single unit, colloquially known as FASH, and the pupils continue to proudly wear the Coat of Arms that was granted to Farringtons back in 1928. In September 2004, the School reverted to its original name, Farringtons School.

The Millennium saw further exciting developments. In September 2006, Farringtons became the location for a new nursery development – Busy Bees at Farringtons – providing day care for children aged three months to four years. In 2010 the school accepted boys into Year 7 for the first time. Today Farringtons is fully co-educational and thriving. Over 100 years since it was founded, it still flourishes as a School proud of its rich history and excited about the future.
